MRHS PTSA JANUARY 28, 2025 MEETING MINUTES

Welcome: Zoom Meeting started at 7:05 – Approved minutes from November meeting.

A Word From Our Chief School Administrator: Mr Evans thanked the PTSA for all of their efforts and called out the teacher and staff holiday lunch and teacher/club grant awards; we're 3 days away from the end of the 2nd MP and ½ way to graduation – let's keep the positive momentum going. The survey about bringing graduation to the high school football field showed that this wasn't favorable – we'll continue having graduation at Brookdale Community College – more details will come out about the date and tickets as we get closer. Mr. Evans discussed the protocol announced this morning regarding potential ICE visits to NJ schools and reiterated that our schools priority is to ensure everyone feels safe – if anyone feels any anxiety regarding the situation we have plenty of teachers and staff to help support all of our children – please reach out with any concerns.

Treasurers Report: this is our quiet time of year as we gear up for the gift auction; dollars have been advanced for gifts and our budget is in good shape.

Membership Report: currently 116 members

Technology Report: our social media site has been updated with the latest announcements, meeting links and with current as well as past agendas and meeting minutes. Links to meetings are also posted the day of the meeting.
