MRHS PTSA FEBRUARY 25, 2025 MEETING MINUTES

Welcome: Zoom meeting started at 7:05 pm

A Word From Our Chief School Administrator: 1)Mr. Evans thanked the PTSA for the recent goodie bags for teachers/staff and said he heard great feedback. In two weeks (March 10-13) the NJ GPA (Graduate Proficiency Assessment) will take place for Juniors – this is a state testing requirement to graduate in NJ. There will be a 2 hour delayed opening for everyone else. 2)MRHS receive a 40k grant for a computer science program from the State of NJ – this will be directed to upgrades planned for the computer labs. An additional 5k grant has been awarded for robotics. 3)Winter sports are underway and Mr. Evans shared some inspiring stories of a few MRHS athletes competing in regional and state tournaments. 4)The Strategic Planning Meeting was held last night and was well attended – this is a NJ School Board initiative and will help us build a roadmap/plan for MTHS for the next five years. 5)A creative studio (Black Swan Talent Studios) owned by a former MRHS graduate Eric Massimino, has reached out to partner with to offer student classes through our summer enrichment program.
